Are you curious about languages?

# ESPERANTO

*a fair language*

**Esperanto** is a **neutral, international language** created to facilitate communication amongst people.

It's spoken in more than **100 countries**, it's recognized by **UNESCO** and it even has **native speakers**.

More than one million people are already learning **Esperanto** with **Duolingo**!

Thanks to the regular structure of the language, it is **very easy** to learn.

Hello!  
How are you?  
Bye!  
Please  
Thank you!  
I love you

Saluton!  
Kiel vi fartas?  
Ĝis!  
Bonvolu  
Dankon!

**Learn Esperanto and enter a vibrant,  
open and diverse community of people  
from all around the globe!**

# ESPERANTO

## A WORLDWIDE CULTURE

The lively community of **young Esperanto speakers** firmly believes that it is possible to create a world without language discrimination or barriers, promoting **peace** between people by making communication **easier** and **more equitable**.

TEJO is the World Esperanto Youth Organisation. We bring young Esperanto speakers together from every corner of the world. We organise many events, where young people create new friendships and experience the unique Esperanto culture. We also conduct trainings in equality and international communication.
